

Heat Resistant, Flame Retardant, Compressed Wadding

HTL# HN172

Properties: Heavyweight, soft and compact sew-in wadding made from synthetic fibres and featuring good heat and cold insulation Properties:.

Application: For pot holders and pot mats (use at least two layers), chair and sofa covers, patchwork and quilting. Can also be used as an ironing pad (use at least two layers) and as an ironing cover for the protection of sensitive fabrics (pearls, sequins). Suitable for all fabrics.

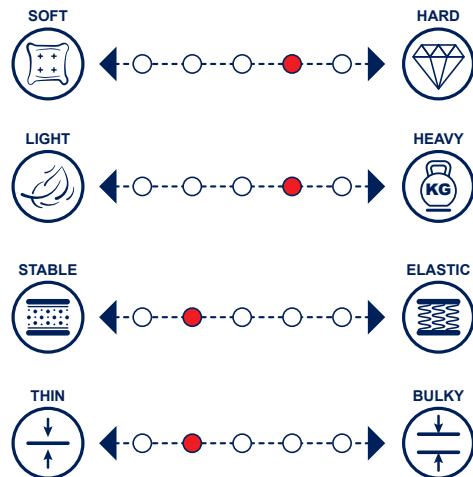

- Advantages:**
- Soft despite high density
 - Easy to work with
 - Good thermal insulation Properties:
 - Medium volume
 - Ideal as ironing underlay
 - Wash up to 40°C

Technical Data

Specification:

Width	90cm
Length	25m / roll
Packing	2rolls / ctn
Gram	170g/m2
Material	100% Polyester
Colour	White

Properties::

Instructions

1. Tack the wadding/batting to the reverse of the fabric. Add backing fabric.
 2. Sew layers together by hand or machine, spacing approx 15 - 20cm apart.
 3. Can be used as an ironing pad and as an ironing cover to protect sensitive fabrics (beads, sequins).
- N.B. Always test the product on a scrap of your project's fabric.
