

Standard Medium Interfacing

HTL# HN112

Properties: Mediumweight, soft sew-in non-woven interfacing made from a blend of synthetic fibres.

Application: For stabilising small parts and front parts in dresses and jackets and for handicrafts. Suitable for light- to mediumweight fabrics such as crushed and pleated fabrics which are heat sensitive and unable to be ironed.

- Advantages:**
- Easy to sew in
 - Soft, comfortable texture
 - Wash up to 60°C

Technical Data

Specification:

Width	90cm
Length	25m / roll
